Dear Sir/Madam

I am writing in response to your email dated 17th May 2019 requesting information under the Freedom of Information Act (2000) regarding IT infrastructure.

On 20th May 2019 we contacted you via email as under section 8(1) of the FOI Act, requestors are required to provide a full name in order to make a request valid. The Information Commissioner states that a "title and/or first name with surname satisfies the requirement for provision of a real name, as does the use by a female applicant of her maiden name". Therefore, in order to proceed with your request can you please supply us with a valid name?

On the same day you replied via email with your name.

As of 1st November 2014 University Hospitals of North Midlands NHS Trust (UHNM) manages two hospital sites – Royal Stoke University Hospital, and County Hospital (Stafford). Therefore the response below is for the two sites combined from that date where appropriate.

Q1 Can you update the attached spreadsheet where we ask about your Trust's general IT infrastructure please?
Digital Health Intelligence continues to deliver free research access to the NHS and as part of this, we are updating our IT infrastructure data held on your organisation for financial year 18/19.
For the questions about services/products, please state whether you have the service/product or not on the spreadsheet within the attached workbook. If you do have the service/product, please write the supplier name.

A1 Please refer to the attached spread sheet that you supplied.

*Please note that any individuals identified do not give consent for their personal data to be processed for the purposes of direct marketing.

UHNM NHS Trust is a public sector body and governed by EU law. FOI requestors should note that any new Trust requirements over the EU threshold will be subject to these regulations and will be advertised for open competition accordingly.
