Dear

I am writing in response to your email dated 4th July 2019 requesting information under the Freedom of Information Act (2000) regarding drones.

As of 1st November 2014 University Hospitals of North Midlands NHS Trust (UHNM) manages two hospital sites – Royal Stoke University Hospital, and County Hospital (Stafford). Therefore the response below is for the two sites combined from that date where appropriate.

Q1 Has the Trust taken advice on drones or considering implementing any measures to combat the threat posed by drones?

If so, can I have details of what advice has been given and who from, and what measures are being explored?

Would they, for example, include protecting hospitals from a possible threat?
