Dear

I am writing in response to your email dated 25<sup>th</sup> April 2018 (received into our office 26<sup>th</sup> April) requesting information under the Freedom of Information Act (2000) regarding babies weight.

As of 1<sup>st</sup> November 2014 University Hospitals of North Midlands NHS Trust (UHNM) manages two hospital sites – Royal Stoke University Hospital, and County Hospital (Stafford). Therefore the response below is for the two sites combined from that date where appropriate.

**Q1 In the 2017 calendar year was there any babies born at your hospitals where the weight of the baby was 12lbs (5443g) or more?**

**If so please state how many and what their birth weights were.**

A1 The Trust had one baby that weighed between 5533g and 5715g please note that due to the low number we have banded the weight to avoid possible identification of the patient.

\*Please note that any individuals identified do not give consent for their personal data to be processed for the purposes of direct marketing.

***UHNM NHS Trust is a public sector body and governed by EU law. FOI requestors should note that any new Trust requirements over the EU threshold will be subject to these regulations and will be advertised for open competition accordingly.***
