Dear

I am writing in response to your email dated 17th August 2018 requesting information under the Freedom of Information Act (2000) regarding Homecare. I apologise for the delay.

As of 1st November 2014 University Hospitals of North Midlands NHS Trust (UHNM) manages two hospital sites – Royal Stoke University Hospital, and County Hospital (Stafford). Therefore the response below is for the two sites combined from that date where appropriate.

Q1 Please find attached a short questionnaire about the provision of Homecare from your Trust. I would be grateful if you could answer all the questions in the dedicated sections in the file. Once done, please save and email it back to me.

In case it is not clear, a Homecare medicine delivery service is typically lead by the pharmacy department.

It can be described as being a service that delivers ongoing medicine supplies and, where necessary, associated care, initiated by the hospital prescriber, direct to the patient's home with their consent. The purpose of the Homecare medicines service is to improve patient care and choice of their clinical treatment.

A1 Please refer to the attached spread sheet that you supplied.

*Please note that any individuals identified do not give consent for their personal data to be processed for the purposes of direct marketing.

UHNM NHS Trust is a public sector body and governed by EU law. FOI requestors should note that any new Trust requirements over the EU threshold will be subject to these regulations and will be advertised for open competition accordingly.
