Dear

I am writing in response to your email dated 4th November 2018 (received into our office 5th November) requesting information under the Freedom of Information Act (2000) regarding car parking.

As of 1st November 2014 University Hospitals of North Midlands NHS Trust (UHNM) manages two hospital sites – Royal Stoke University Hospital, and County Hospital (Stafford). Therefore the response below is for the two sites combined from that date where appropriate.

**Q1 Under the terms of the Freedom of Information Act I require parking data for the Royal Stoke University Hospital site.
Between April 1, 2016 and April 1, 2018 please detail the total amount of revenue made through parking charges and penalty tickets over these two financial years.**

In a further breakdown for this two-year period, can I have?

- **The total number of parking fines issued**
- **The number of parking fines overturned**
- **The total amount of cash raised through the fines**
- **The number of fines which are still to be paid.**

I also request the same information over the same timescale for the County Hospital site.

A1 This information is not held for the Royal Stoke University Hospital (RSUH) as the issuing and collection of car parking fines is under a private contractor and therefore not managed by the Trust. The revenue collected by the private contractor is not disseminated to the Trust
