Dear

I am writing to acknowledge receipt of your email dated 8th September 2023 requesting information under the Freedom of Information Act (2000) regarding Governors

As of 1st November 2014 University Hospitals of North Midlands NHS Trust (UHNM) manages two hospital sites – Royal Stoke University Hospital, and County Hospital (Stafford). Therefore the response below is for the two sites combined from that date where appropriate.

Q1 How many organisations are compliant with the UHA guidance which states that:

"If any of a foundation trust's hospitals have a formal relationship with a medical or dental school provided by a university, at least one member of the council of governors must be appointed by that university".

Could I ask that you therefore send me the number of governors you have from a University .

A1 University Hospitals of North Midlands NHS Trust is not a Foundation Trust, and therefore is not required to have a Council of Governors.
