Dear

I am writing in response to your email dated 26<sup>th</sup> May 2020 requesting information under the Freedom of Information Act (2000) regarding PPE

On our acknowledgment we added the following statement:

**The University Hospitals of North Midlands Trust is committed to the Freedom of Information Act 2000.**

**However, the NHS is facing unprecedented challenges relating to the coronavirus (COVID-19) pandemic at the current time. Understandably, our resources have been diverted to support our front-line colleagues who are working tremendously hard to provide care for our patients, and to those in need of our services.**

**We strive to be transparent and to work with an open culture. But at this time, whilst care of our patients and the safety of our staff takes precedent, it is likely that responses to some requests for information will be delayed. We apologise for this position in advance, and will endeavour to provide you with as much information as we can, as soon as we are able.**

**The Information Commissioners Office has recognised the current situation in the NHS.**

As of 1<sup>st</sup> November 2014 University Hospitals of North Midlands NHS Trust (UHNM) manages two hospital sites – Royal Stoke University Hospital, and County Hospital (Stafford). Therefore the response below is for the two sites combined from that date where appropriate.

**Q1 Please could you send me all available information produced by University Hospitals of North Midlands on PPE stocks between 5 March and 5 May 2020, including:**

- The stock levels of surgical gowns, pairs of surgical gloves, plastic aprons, fluid repellent surgical masks (e.g. IIR masks), FFP3 respirators, FFP3 respirators, eye protection (glasses) and eye protection (visors)**
- Usage of those stocks during this period (e.g. daily or weekly depletion of surgical gowns)**
- Any estimates at the time of how long those stocks were expected to last**  
**If possible, could you please split this data out by healthcare setting (i.e. detail PPE stocks by all hospitals in your Trust).**

I have enclosed a spreadsheet with a standard format if this is at all helpful, though I appreciate that, in order to process this request as efficiently as possible, you may prefer to send over documents in whatever format you have available.

**While all dates between 5 March and 5 May are given, I appreciate that it's unlikely that you will have data for every date and so would just appreciate you sharing what information you do have.**

**If possible, could you please send information in an excel-readable format (e.g. csv or .xls).**

A1 Please refer to the attached spread sheet.

The Trust is pleased to note that at no point in time to date has it run out of PPE. Supplies have been regular whilst recognising that on a few occasions, there were certain items where deliveries nationally were 'just in time' to ensure consistent stocks nationally,

\*Please note that any individuals identified do not give consent for their personal data to be processed for the purposes of direct marketing.

***UHNM NHS Trust is a public sector body and governed by EU law. FOI requestors should note that any new Trust requirements over the EU threshold will be subject to these regulations and will be advertised for open competition accordingly.***
