Dear,

I am writing to acknowledge receipt of your email dated 2nd November 2022 requesting information under the Freedom of Information Act (2000) regarding car parking

As of 1<sup>st</sup> November 2014 University Hospitals of North Midlands NHS Trust (UHNM) manages two hospital sites – Royal Stoke University Hospital, and County Hospital (Stafford). Therefore the response below is for the two sites combined from that date where appropriate.

**Q1 Please can you provide the total car parking revenue collected by the University Hospitals of North Midlands NHS Trust across the Royal Stoke University Hospital and County Hospital sites? I would like the request to cover the financial years of 2019/2020, 2020/21 and 2021/22.**

**Ideally, I would like a clear breakdown between parking charges imposed on staff and parking charges paid by patients and visitors.**

**I would like a breakdown for each site for these three areas:**

**1: How much cash has been put into the machines at each site within each financial year?**

A1 Income is not broken down between cash/card/App for the year.

	19/20 Total (£)	20/21 Total (£)	21/22 Total (£)
Patient	- 2,844,195	0	- 1,565,436
Staff	- 1,015,440	0	0
Total	- 3,859,635	0	- 1,565,436

**Q2 How many vehicles have been issued with parking fines at each site within each financial year?**

A2 See below:

County 2019/20 = 570

2020/21 Nil  
2021/22 Nil

Stoke 2019/20 =5,012  
2020/21 3,879  
2021/22 4,855

Note # of staff at each site: By headcount:  
County = 1212  
Stoke = 10252\* includes the smaller satellite locations

At County there are 972 parking spaces in total and at Royal Stoke there are 3324 parking spaces in total, (2624, main site, 200 Thornburrow, 500 old RI). This is available from our ERIC published data which is in the public domain.

**Q3 How much money has been collected in fines at each site within each financial year?**

A3 This information is not held by the Trust.
