Date: 4<sup>th</sup> March 2021

Dear

I am writing in response to your email dated 5<sup>th</sup> February 2021 (received into our office 8<sup>th</sup> February) requesting information under the Freedom of Information Act (2000) regarding translation and interpreting spending.

As of 1<sup>st</sup> November 2014 University Hospitals of North Midlands NHS Trust (UHM) manages two hospital sites – Royal Stoke University Hospital, and County Hospital (Stafford). Therefore the response below is for the two sites combined from that date where appropriate.

**Q1 I would like to make a request for information under the Freedom of Information Act regarding the following:**

**1. The spending per financial year on translation services (written) and interpreting services (oral) for your organisation over each of the following 5 financial years: 2015/2016, 2016/2017, 2017/2018, 2018/2019, 2019/2020, as well as the languages involved. Please do not include data regarding the spending on services for the deaf and blind (such as sign language interpreting or Braille).**

A1 Refer to the attached spread sheet

**Q2 The total budget for your organisation for each of the 5 financial years the information above is provided on, for all expenses not just for translation and interpreting services, i.e. to include all expenses such as salaries, utilities, equipment, consumables etc., with only the total figure given, no breakdown necessary. For example, I assume the total budget would be a few dozen or hundred million pounds per financial year. This is so that I can calculate the translation and interpreting spending as a percentage of the organisation's total budget (which I suspect would be around or under 0.1%). The data will be compiled, analysed and published on <https://inboxtranslation.com>**

A2 As answer 1
