Dear

I am writing in response to your email dated 23rd February 2021 (received into our office 24th February) requesting information under the Freedom of Information Act (2000) regarding coronavirus vaccine

The University Hospitals of North Midlands Trust is committed to the Freedom of Information Act 2000.

However, the NHS is facing unprecedented challenges relating to the coronavirus (COVID-19) pandemic at the current time. Understandably, our resources have been diverted to support our front-line colleagues who are working tremendously hard to provide care for our patients, and to those in need of our services.

We strive to be transparent and to work with an open culture. But at this time, whilst care of our patients and the safety of our staff takes precedent, it is likely that responses to some requests for information will be delayed. We apologise for this position in advance, and will endeavour to provide you with as much information as we can, as soon as we are able.

The Information Commissioners Office has recognised the current situation in the NHS

On 24th February 2021 we contacted you via email as we required a timeframe in order to collate the information.

The same day you replied via email with:

“From 1 January 2021 to the present day (whichever date this FOI is processed on).”

As of 1st November 2014 University Hospitals of North Midlands NHS Trust (UHNM) manages two hospital sites – Royal Stoke University Hospital, and County Hospital (Stafford). Therefore the response below is for the two sites combined from that date where appropriate.

Q1 Please can you tell me how many of your staff have declined to have a coronavirus vaccine. If possible, please give the reason why the vaccine was declined

A1 Vaccination is not compulsory therefore this information is not held

*Please note that any individuals identified do not give consent for their personal data to be processed for the purposes of direct marketing.

UHNM NHS Trust is a public sector body and governed by EU law. FOI requestors should note that any new Trust requirements over the EU threshold will be subject to these regulations and will be advertised for open competition accordingly.
