# Make a Will with our free Will writing service

Making a Will is neither difficult nor time consuming, and is very important if you want to ensure that your wishes regarding your estate are carried out as you want them to be when you are no longer around. As well as protecting the interests of your loved ones, a Will can help further the causes about which you feel most deeply.

The RNBT is a member of **The National Free Wills Network** which provides us with the opportunity to offer to pay for a limited number of 'simple' Wills to be written at a discount rate through participating solicitors across the UK.
