To enable me to proceed further and help with this request, please under Subject Access Request  
Please refer to [REDACTED] (EAU) who I am sure will give an overview of the telephone related request made during the same period. I would expect that this request will have been documented so this should be straightforward. She should be able to provide details of the extension number concerned on EAU and the full name and registration number of – [REDACTED], a nurse involved.

Also required are telephone communications between EAU and A&E and any other medical staff over the same period regarding [REDACTED], specifically including [REDACTED].  
I would be grateful if you could confirm your understanding of this request to enable a document to be drafted to provide authorisation for you to proceed further.
