Dear

I am writing to acknowledge receipt of your email dated 24th February 2022 requesting information under the Freedom of Information Act (2000) regarding Bariatric Equipment.

**The University Hospitals of North Midlands Trust is committed to the Freedom of Information Act 2000.**

**However, the NHS is facing unprecedented challenges relating to the coronavirus (COVID-19) pandemic at the current time. Understandably, our resources have been diverted to support our front-line colleagues who are working tremendously hard to provide care for our patients, and to those in need of our services.**

**We strive to be transparent and to work with an open culture. But at this time, whilst care of our patients and the safety of our staff takes precedent, it is likely that responses to some requests for information will be delayed. We apologise for this position in advance, and will endeavour to provide you with as much information as we can, as soon as we are able.**

**The Information Commissioners Office has recognised the current situation in the NHS.**

As of 1<sup>st</sup> November 2014 University Hospitals of North Midlands NHS Trust (UHNM) manages two hospital sites – Royal Stoke University Hospital, and County Hospital (Stafford). Therefore the response below is for the two sites combined from that date where appropriate.

**Q2 Please give a breakdown of the type of equipment used by the Trust and the amounts spent, split between Rental expenditure and Purchased Equipment?**

A3 Rental of the equipment was under the Health Trust Europe Framework (THE) contract

A4 31st March 2022

**Q5 If known, who is the contract with?**
