Dear

I am writing to acknowledge receipt of your email dated 22nd April 2022 requesting information under the Freedom of Information Act (2000) regarding Hartmann IV solution.

The University Hospitals of North Midlands Trust is committed to the Freedom of Information Act 2000.

However, the NHS is facing unprecedented challenges relating to the coronavirus (COVID-19) pandemic at the current time. Understandably, our resources have been diverted to support our front-line colleagues who are working tremendously hard to provide care for our patients, and to those in need of our services.

We strive to be transparent and to work with an open culture. But at this time, whilst care of our patients and the safety of our staff takes precedent, it is likely that responses to some requests for information will be delayed. We apologise for this position in advance, and will endeavour to provide you with as much information as we can, as soon as we are able.

The Information Commissioners Office has recognised the current situation in the NHS.

As of 1st November 2014 University Hospitals of North Midlands NHS Trust (UHNM) manages two hospital sites – Royal Stoke University Hospital, and County Hospital (Stafford). Therefore the response below is for the two sites combined from that date where appropriate.

Q1 I write under the terms of the Freedom of Information Act 2000 in relation to the cost of Hartmann IV Solution.

Please could you provide the following information:

The total amount paid for Hartmann IV solution for each financial year since April 2017

and the individual bag cost charged for each of these tax years?

A1 Commercially sensitive information relating to the price paid per item has not been disclosed here as we consider that under section 43(2) of the FOI Act: *prejudice to the commercial interests of any party, is engaged*. Disclosure of this information could be commercially detrimental to the Trust and companies acting on our behalf and result in less competitive prices for services. The likely consequence of this would be increased cost for service provision to the Trust. We have considered how the public interest might apply, and although recognising that there is a strong public interest in openness there is a greater public interest ensuring an ability to obtain best value for money.

Under section 16 of the FOI Act we are required to provide requestors with advice and assistance where possible, therefore please see below information that we can provide.

The Trust has spent in total £109,650 on these fluids. We purchase 2 Lines, a 1000ml and 500ml.

Prices have remained fixed 2017 via Framework agreement.

Usage as follows:

500ml since 2017 to date = 463100 bags

1000ml since 2017 to date = 57060 bags

*Please note that any individuals identified do not give consent for their personal data to be processed for the purposes of direct marketing.

UHNM NHS Trust is a public sector body and governed by EU law. FOI requestors should note that any new Trust requirements over the EU threshold will be subject to these regulations and will be advertised for open competition accordingly.
