Dear

I am writing to acknowledge receipt of your email dated 21st July 2022 (received into our office 22nd July) requesting information under the Freedom of Information Act (2000) regarding PFI staff health

The University Hospitals of North Midlands Trust is committed to the Freedom of Information Act 2000.

However, the NHS is facing unprecedented challenges relating to the coronavirus (COVID-19) pandemic at the current time. Understandably, our resources have been diverted to support our front-line colleagues who are working tremendously hard to provide care for our patients, and to those in need of our services.

We strive to be transparent and to work with an open culture. But at this time, whilst care of our patients and the safety of our staff takes precedent, it is likely that responses to some requests for information will be delayed. We apologise for this position in advance, and will endeavour to provide you with as much information as we can, as soon as we are able.

The Information Commissioners Office has recognised the current situation in the NHS.

On 25th July 2022 we contacted you via email as we required the following clarification:
Whether your request is regarding:

- a) Staff managing/administering PFI contracts within our procurement teams?
- b) Staff physically working in, or based in, the areas of our hospitals that fall under a PFI contract?

You replied via email with:
'it is both, where those staff are employed by the trust, not the private partner'

As of 1st November 2014 University Hospitals of North Midlands NHS Trust (UHNM) manages two hospital sites – Royal Stoke University Hospital, and County Hospital (Stafford). Therefore the response below is for the two sites combined from that date where appropriate.

Q1 Under the Freedom of Information Act, please can you provide the following information?

How many staff involved in your PFI contracts have taken leave for stress-related illnesses since January 2021?

- A1 Data is not held or is outside the scope of the FOI Act
- Some locations within the Trust's hospital sites are managed under a PFI contract and as such there is not a unique reference by which we can identify staff working solely in areas that might be managed under the PFI contract
 - Data relating to the employment of staff who work on site and who are employed directly by the PFI Contractor is outside the scope of the FOI request as this Trust does not hold that data.

*Please note that any individuals identified do not give consent for their personal data to be processed for the purposes of direct marketing.

UHNM NHS Trust is a public sector body and governed by EU law. FOI requestors should note that any new Trust requirements over the EU threshold will be subject to these regulations and will be advertised for open competition accordingly.
