Dear

I am writing to acknowledge receipt of your email dated 27th June 2023 requesting information under the Freedom of Information Act (2000) regarding scrotal explorations

As of 1st November 2014 University Hospitals of North Midlands NHS Trust (UHNM) manages two hospital sites – Royal Stoke University Hospital, and County Hospital (Stafford). Therefore the response below is for the two sites combined from that date where appropriate.

Q1 I would like to make the following Freedom of Information request. I would like to know how many emergency scrotal explorations (a surgical procedure) have been done at your Trust in a 12 month period e.g. 1st June 2022 to 31st May 2023. I would be most grateful if you could break this down by hospital site (if applicable). This information can usually be easily obtained through procedural coding data. Codes used for this procedure are N03.4, N13.2 or N13.3.

A1 Using the above clinical coding as supplied by the requester, below are the number of emergency scrotal explorations undertaken.

Royal Stoke = 29
County = 0
