As of 1<sup>st</sup> November 2014 University Hospitals of North Midlands NHS Trust (UHNM) manages two hospital sites – Royal Stoke University Hospital, and County Hospital (Stafford). Therefore the response below is for the two sites combined from that date where appropriate.

**Q1 Please can I have information relating to current surgical and equipment drape usage in the theatre departments, across the hospitals in your trust.**

**I would like a usage report for the current financial year so far (or last financial year if this is unavailable), including the following information, if possible. Preferably in an excel format.**

- 1. Drape code**
- 2. Description**
- 3. Manufacturer name**
- 4. quantity usage**
- 5. total spend for each drape.**

**A1 See below: All spend values exclude VAT. In addition Please find attached the requested information RSUH and County HSDU departments.**

Note: Commercially sensitive information relating to the price paid per item/supplier name has not been disclosed here as we consider that under section 43(2) of the FOI Act: *prejudice to the commercial interests of any party, is engaged*. Disclosure of this information could be commercially detrimental to the Trust and companies acting on our behalf and result in less competitive prices for services. The likely consequence of this would be increased cost for service provision to the Trust. We have considered how the public interest might apply, and

although recognising that there is a strong public interest in openness there is a greater public interest ensuring an ability to obtain best value for money.
