Dear

I am writing to acknowledge receipt of your email dated 16th June 2021 requesting information under the Freedom of Information Act (2000) regarding list of names

On the same day we contacted you via email with the following:
Please provide a list of names you wish us to cross reference, the Trust has in excess of 11, 000 staff therefore, please note that for partial names it is unlikely we will be able to assist without further information and we will advise you of that, should the situation arise.

You replied via email with:

“Examples for your consideration are as part of the request are:

██████████ (201)
██████████ (EAU)”

As of 1st November 2014 University Hospitals of North Midlands NHS Trust (UHNM) manages two hospital sites – Royal Stoke University Hospital, and County Hospital (Stafford). Therefore the response below is for the two sites combined from that date where appropriate.

Q1 I would be grateful if you could provide me with a list of staff names together with their registration numbers.

I can provide a list, which I suggest is not excessive. Unfortunately, there are instances where I wish to either confirm a name I already have or have only a partial name. Please can you confirm the easiest way to collate this information and the cost involved?

A1 You have provided us with 2 examples which consisted of a first name and a Ward. Unfortunately it has not been possible to identify the 2 members of staff from the information you have provided. As previously stated, the Trust employs over 11,000 staff. In addition, there may have been bank staff employed as well as the fact that staff move between Wards and Departments. If you have any additional information, we will be happy to review our response.

*Please note that any individuals identified do not give consent for their personal data to be processed for the purposes of direct marketing.

UHNM NHS Trust is a public sector body and governed by EU law. FOI requestors should note that any new Trust requirements over the EU threshold will be subject to these regulations and will be advertised for open competition accordingly.
