Dear

I am writing to acknowledge receipt of your email dated 22nd September 2022 requesting information under the Freedom of Information Act (2000) regarding microscope inventory.

As of 1st November 2014 University Hospitals of North Midlands NHS Trust (UHNM) manages two hospital sites – Royal Stoke University Hospital, and County Hospital (Stafford). Therefore the response below is for the two sites combined from that date where appropriate.

Q1 I'd be very grateful if you could send over a brief list of your operating microscope inventory. It would be great if you could do this and include device details and contract dates, then we can provide you with some quotes when your contracts are up for renewal.
