Dear

I am writing to acknowledge receipt of your email dated 17th March 2022 requesting information under the Freedom of Information Act (2000) regarding Clinic Software and EPR Solutions

On 23rd March 2022 we contacted you via email as UHNM has received several requests that are asking for similar information that are from the same person/company, therefore we are contacting you to inform you that under section 12 of the FOI Act we were aggregating these requests on Clinic Software and EPR Solutions

Your new reference number for both requests is 651-2122

The University Hospitals of North Midlands Trust is committed to the Freedom of Information Act 2000.

However, the NHS is facing unprecedented challenges relating to the coronavirus (COVID-19) pandemic at the current time. Understandably, our resources have been diverted to support our front-line colleagues who are working tremendously hard to provide care for our patients, and to those in need of our services.

We strive to be transparent and to work with an open culture. But at this time, whilst care of our patients and the safety of our staff takes precedent, it is likely that responses to some requests for information will be delayed. We apologise for this position in advance, and will endeavour to provide you with as much information as we can, as soon as we are able.

The Information Commissioners Office has recognised the current situation in the NHS.

As of 1st November 2014 University Hospitals of North Midlands NHS Trust (UHNM) manages two hospital sites – Royal Stoke University Hospital, and County Hospital (Stafford). Therefore the response below is for the two sites combined from that date where appropriate.
