Dear

I am writing in response to your email dated 29th March 2021 requesting information under the Freedom of Information Act (2000) regarding car parking

The University Hospitals of North Midlands Trust is committed to the Freedom of Information Act 2000.

However, the NHS is facing unprecedented challenges relating to the coronavirus (COVID-19) pandemic at the current time. Understandably, our resources have been diverted to support our front-line colleagues who are working tremendously hard to provide care for our patients, and to those in need of our services.

We strive to be transparent and to work with an open culture. But at this time, whilst care of our patients and the safety of our staff takes precedent, it is likely that responses to some requests for information will be delayed. We apologise for this position in advance, and will endeavour to provide you with as much information as we can, as soon as we are able.

The Information Commissioners Office has recognised the current situation in the NHS

As of 1st November 2014 University Hospitals of North Midlands NHS Trust (UHNM) manages two hospital sites – Royal Stoke University Hospital, and County Hospital (Stafford). Therefore the response below is for the two sites combined from that date where appropriate.

Q1 University Hospitals of North Midlands NHS Trust, with the sale of the old NSRI site and its attendant car parking spaces for staff, I wish to know:

1. How many staff parking spaces remain on the Royal Stoke Hospital site, split into standard and premium spaces and

A1 On the main RSUH Site, there are 771 Standard Staff Spaces and 203 Premium Staff Spaces.

Note: Further parking remains on the old COPD site; M-Club site, and Old Royal Infirmary site.

Q2 How many currently valid staff parking permits exist for each type of space, split into part-time and full-time permits.

A2 On the RSUH site there was 957 Standard Full Time Permits issued, and 151 Standard Part-Time Permits issued. However the database is currently being analysed and amended as required, as a number of permits haven't been renewed at present, as parking for staff remains free.

On RSUH, 221 Premium Full Time Permits issued, 31 Premium Part-Time Permits issued. However the database is currently being analysed and amended as required, as a number of permits haven't been renewed at present, as parking for staff remains free.

*Please note that any individuals identified do not give consent for their personal data to be processed for the purposes of direct marketing.

UHNM NHS Trust is a public sector body and governed by EU law. FOI requestors should note that any new Trust requirements over the EU threshold will be subject to these regulations and will be advertised for open competition accordingly.
