Dear

I am writing to acknowledge receipt of your email dated 16th March 2022 (received into our office 17th March) requesting information under the Freedom of Information Act (2000) regarding waiting.

**The University Hospitals of North Midlands Trust is committed to the Freedom of Information Act 2000.**

**However, the NHS is facing unprecedented challenges relating to the coronavirus (COVID-19) pandemic at the current time. Understandably, our resources have been diverted to support our front-line colleagues who are working tremendously hard to provide care for our patients, and to those in need of our services.**

**We strive to be transparent and to work with an open culture. But at this time, whilst care of our patients and the safety of our staff takes precedent, it is likely that responses to some requests for information will be delayed. We apologise for this position in advance, and will endeavour to provide you with as much information as we can, as soon as we are able.**

**The Information Commissioners Office has recognised the current situation in the NHS.**

As of 1<sup>st</sup> November 2014 University Hospitals of North Midlands NHS Trust (UHNM) manages two hospital sites – Royal Stoke University Hospital, and County Hospital (Stafford). Therefore the response below is for the two sites combined from that date where appropriate.

**Q1 I would like more information than is currently being published under the Consultant-led Referral to Treatment Waiting Times data publication.**

**Please could you tell me?**

**(1) At the end of January 2022, how many patients were waiting more than 156 weeks to start treatment (incomplete pathways) after being referred?**

A1 We are unable to provide the information you require in the requested format as to release this data could lead to the identification of the person(s) involved due to the low numbers involved, and would breach the Trusts obligations under Data Protection Act 2018. Accordingly, this

aspect of your request is exempt from disclosure under the terms of Section 40(2) of the FOI Act. *Personal information*. However as the Trust is committed to openness and transparency we can band the numbers as being <5

*This exemption is an absolute exemption and therefore no consideration of the public interest test is needed.*

**Q2 At the end of January 2022, how many patients were waiting more than 208 weeks to start treatment after being referred?**

A2 None

**Q3 At end of January 2022, what was the longest period of time (in weeks) that a patient was waiting to start treatment after being referred?**

A3 163 weeks

**Q4 By which department was the patient in question (3) waiting to be seen?**
