Dear

I am writing to acknowledge receipt of your email dated 19th April 2022 requesting information under the Freedom of Information Act (2000) regarding Equality, Diversity and Inclusion.

**The University Hospitals of North Midlands Trust is committed to the Freedom of Information Act 2000.**

**However, the NHS is facing unprecedented challenges relating to the coronavirus (COVID-19) pandemic at the current time. Understandably, our resources have been diverted to support our front-line colleagues who are working tremendously hard to provide care for our patients, and to those in need of our services.**

**We strive to be transparent and to work with an open culture. But at this time, whilst care of our patients and the safety of our staff takes precedent, it is likely that responses to some requests for information will be delayed. We apologise for this position in advance, and will endeavour to provide you with as much information as we can, as soon as we are able.**

**The Information Commissioners Office has recognised the current situation in the NHS.**

As of 1<sup>st</sup> November 2014 University Hospitals of North Midlands NHS Trust (UHNM) manages two hospital sites – Royal Stoke University Hospital, and County Hospital (Stafford). Therefore the response below is for the two sites combined from that date where appropriate.

**Q1 I am writing to request, under the Freedom of Information Act, the number of people who died while waiting for elective care at your Trust in 2021.**

A1 The following information is based on patients who have been removed from the waiting list. We have looked for where the removal date occurred during 2021 and where the removal reason was "Patient Died" of any cause.

The number of waiting list entries that were removed from the waiting list during 2021 was 789.

As a patient can have multiple waiting list entries - this equates to 737 unique patients who were removed.

\*Please note that any individuals identified do not give consent for their personal data to be processed for the purposes of direct marketing.

***UHNM NHS Trust is a public sector body and governed by EU law. FOI requestors should note that any new Trust requirements over the EU threshold will be subject to these regulations and will be advertised for open competition accordingly.***
