Dear Sir/Madam

I am writing to acknowledge receipt of your email dated 30th September 2024 requesting information under the Freedom of Information Act (2000) regarding assaults

Q1 This evening I've been reading some appalling articles about a woman who was gang raped at a hospital in Wakefield by NHS Dr's and Nurses. As a result I've seen reports of numbers of alleged sexual assaults and rapes at that same hospital. Under the freedom of information act I would like to know how many allegations there have been of sexual assault and rape by NHS staff on patients or visitors at the Royal Stoke hospital in the past 5 years please?

A1 We are unable to provide the information you require in the requested format as to release this data could lead to the identification of the person(s) involved due to the low numbers involved and would breach the Trusts obligations under Data Protection Act 2018. Accordingly, this aspect of your request is exempt from disclosure under the terms of Section 40(2) of the FOI Act. *Personal information*. However, as the Trust is committed to openness and transparency, we can band the numbers as being <5
